REPORTS

MUNICIPAL ENGINEER
Paul Ferriero of Ferriero Engineering reported that Liberty Township was the recipient of a NJDOT Grant of $300,000 for 1.8 miles of road repair and milling/paving on Marble Hill Road. Mr. Ferriero estimated that engineering and testing expenses on this project may be $196,000. He encouraged the Township Committee to consider banking funds through 2018 and 2019 with the work performed in 2020.

Mr. Ferriero reviewed the three options presented from Morris-Flood Geotechnical Analysis for remediation of the Lakeside Drive Wall failure. He advised that due to the emergency situation only three quotes are required; there is no need for formal bids. He also advised that performance and maintenance bonds would need to be posted. Mr. Ferriero estimated that Ferriero Engineering bill on this project could be approximately $26,000.

COMMITTEEPERSON KARCHER
Pete Karcher reported that the Recreation Commission was pursuing a new magician for Community Day 2018 due to Magic of Marco’s lack of flexibility in rain date rescheduling.

COMMITTEEPERSON GROVER
Dan Grover reported that the installation of the emergency generator wiring and pad is progressing well. The generator delivery is anticipated within the next three weeks.
