

APPLICATION FOR DRIVEWAY CONSTRUCTION PERMIT
Township of Liberty
County of Warren

Date:

Block:

Lot:

Applicant/Owner:

Name:

Address:

The driveway opening is located relative to
(Utility poles, road intersections, etc.)

Attached hereto is/are plan(s) showing the location and profile of the proposed driveway, including any and all other provisions outlined in the Township of Liberty Ordinance 98-19 Section S53-4, 5 and 6 entitled "Driveway Ordinance of Township of Liberty". All plans are signed and sealed by a licensed engineer of the State of New Jersey. A copy of the approved permit and supporting plan(s) and documents shall be available on the project site at all times.

I agree to the following:

1. The driveway to be constructed under this application shall be constructed in strict conformance with the details as shown on the attached plan and profile drawings except as may be modified by the Township Engineer.
2. Any damaged done to the Township road on account of or caused by this work shall be repaired as directed by the Township Engineer.
3. In consideration of the granting of this application by the Township Engineer, the applicant agrees to indemnify and save harmless the Liberty Township Committee, its agents and servants, and the Township Engineer and his agents and servants from any and all claims for damage to the applicant, the public, and adjacent property owners arising out of the work to be done as set forth in this application and attached plan.
4. A certificate of occupancy for the building(s) to be served by this driveway will not be issued by the Building Code Official until he has been notified by the Township Engineer that the driveway has been completed to the satisfaction of the Township Engineer.

Applicant's Signature

Date

Two checks, one for the professional review fee (\$500.00) and the second for administrative fees (\$50.00) both payable to the Township of Liberty must be submitted with this application and given to the Building Code Official with (1) copy of the application and plans to be retained by him and (2) copies to be forwarded to the Township Engineer.
