

Worm Composting Workshop

Date: October 13, 2018
Time: 1:00pm – 3:00pm
Place: Liberty Twp. Municipal Bldg.
349 Mountain Lake Road
Great Meadows, NJ 07838

This event is FREE and open to all!

Join Jersey Worms for and a hands-on and fun afternoon discovering vermiculture - worm composting!

Learn about how you can reduce your food waste, enhance your garden with natural fertilizer, create healthier soils in your planting beds, and grow your own bait for fishing!

One attendee will receive their own worm bin to begin worm composting at home! This event will also feature a critter/nature themed craft for children of all ages provided by Dove Environmental.

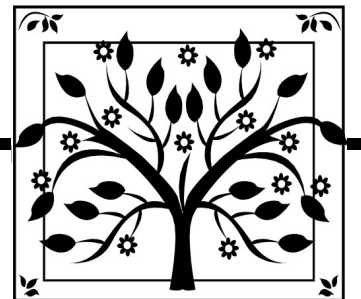

This is a great event for:

Gardeners of all skill level

Fishermen

Scout Groups – Boys and Girls!

Compost Enthusiasts

Sponsored by the

Liberty Township Environmental Commission
