**\*\*\*Great Meadows Regional School District is seeking interested community members to facilitate extracurricular activities to enrich and enhance our educational offerings. The purpose of this endeavor is to expose students to topics they may not traditionally learn about in the classroom. If a child has an aptitude for building robots, a group of children love getting together to create culinary magic, a parent is skilled in a trade that lends itself to weekly, kid-friendly projects, or a sport/game about which many are passionate is not offered locally, this is an opportunity to bring it to GMRSD. All ideas are welcomed!**

**Thank you in advance and we look forward to partnering with the wonderful GMRSD community in this way.\*\*\***
