FEMA

Dear Liberty Residents

Liberty Township is actively working to apply for funds through FEMA for the recent storm damage throughout our municipality.

In order to expedite this process, a list must be compiled of residents that will be seeking assistance for any storm damage to finished living space or structural/foundation damages.

We are asking for those who will be seeking assistance to call the municipal building (908.637.4579) and provide your name, phone number, address, list of damages with estimated replacement costs and photographic documentation of storm damage.

We thank you for your cooperation and patience
